

TRAFFIC SURVEY

Do surveys: **1) April 10 to April 16** and **2) May 8 to May 14**

(no Fridays, Saturdays, Sundays, or holidays).

Study Site:

Survey point **a** (not at an intersection).

Observers:

Do two surveys each month:

14:00-15:00 (slow period) and

17:00-18:00 (busy period).

For 6 minutes, count the number (N) of vehicles and people passing you on the street and sidewalk.

Do not count individuals twice.

Transportation Method	Slow Period		Busy Period	
	Date:		Date:	
	Start Time:	Stop Time:	Start Time:	Stop Time:
Car				
Taxi				
Bus				
Pickup Truck (car-sized truck)				
Truck (large truck)				
Motorbike (≥ 800 cc)				
Motorbike (<800 cc)				
Bicycle				
Pedestrian				
Wheelchair				
Other:				

Did you complete a Study Site Log for each survey?

What were the things in the Other category? Explain.
